Events & Special Celebrations
Information Package 2025

Verity Lane Market Precinct

As you move through the precinct, each space has a distinct style and mood that lend themselves to facilitating a plethora of event types.

Allow us to walk you through the diverse offerings and identities of the building and start planning how we could bring your occasion to life.

The remnants of previous institutions like The Private Bin have been embraced in the interior design and informed the architecture of the remodel.

The updated building boasts industrial finishes; the extension to the second floor sympathetic to the predating structure.

Verity Lane Market is Canberra's gastronomic ground zero: a magnificent cultural precinct, featuring chef-driven cuisine, world-class drinks, and versatile event spaces, right in the heart of Canberra.
